

Where do our students come from?

Our students are drawn from a very wide catchment area. This map shows where students travelled from to attend our Foundation Course in 2013 (red pins), 2014 (purple pins) and 2015 (green pins).

In 2016, for the first time, the Trustees of the Self Heal Association have agreed to offer some assistance with travel costs for Devon-based students experiencing financial hardship. For more information, contact info@selfheal.org.uk.
